Applied Computer Skills for Operators:

This course is designed to provide operators with practical ideas for the best use of the computer, and how to make day-to-day tasks easier. Topics include GIS, AutoCad, SCADA, GPS, word processing, spreadsheets, databases, and useful proprietary programs.

Confined Space:

This course addresses theory as well as hands-on practice, including hazards of confined spaces, lock out, atmospheric testing, ventilation, personal protective equipment and rescue procedures.

September 9 - 10	Small Water Systems	Mt. Washington	Two Days	\$367.50

 Mail to: BCWWA Suite 342 - 17 Fawcett Rd., Coquitlam, BC V3K 6V2 or REGISTER ONLINE www.bcwwa.org
 Ph: (604) 540-0111 • Fax: (604) 540-4077 • Email: bcwwa@bcwwa.org • Home page: <http://www.bcwwa.org>

Cancellation Policy:

Refunds will be given for cancellations received in writing within 7 working days of the class start date, but subject to a deduction of an administration fee of \$50.00 plus GST for a total of \$53.50. If you register within the 7-working day period, your order is considered firm. No refund will be given when you cancel your registration. However, a delegate substitution is welcome at all times.

EOCP REQUIREMENTS

All of our courses leading to certification are offered, in concert with EOCP so that operators' can write examinations at the conclusion of their courses. You must however, apply separately to EOCP, 119 - 2823 Henning Drive, Burnaby, BC V5C 6P3, Tel. (604) 874-4784, Fax (604) 874-4794, email eoep@eoep.org to write the examination and satisfy EOCP's requirements. There is also a separate EOCP fee for writing the examination. *All EOCP requirements must be satisfied at least two weeks in advance of the course.*
