

Join the Canadian Exhibit at Enviro 08

**Australia's largest environment
conference & exhibition**

5 - 7 May 2008, Melbourne

Enviro 08 is a major initiative of Australian Water Association and Waste Management Association of Australia designed specifically by the industry for the industry. The leading edge exhibition features the latest Australian and international innovations, products & services from a wide range of exhibitors in the water, waste, soil, air, & energy sectors. The conference has been enhanced to create a business-to-business atmosphere making it more attractive to manufacturing and building sectors as well as traditional areas of environment, water and waste.

Exhibit at Enviro to enhance your brand visibility in Australian and Asia Pacific environment industry markets; showcasing and demonstrating a capacity to deliver environmental goods & services to the 6000 Enviro 08 participants, trade visitors and other environment industry personnel.

More info available at www.enviroconvention.com.au.

***** Enviro 08 in Australia *****

Canadian exhibits:

The Consulate General of Canada, Sydney and partners in Canada and Australia are coordinating participation of Canadian companies in the ENVIRO 08 exhibition providing a perfect opportunity to meet 6000 trade visitors, delegates and exhibitors to explore business relationships and opportunities in Australia, and attend the conference if desired.

There's a package to suit everyone!!!!

Take a booth or poster and attend the show:

- § *The Consulate has booked a 3m x 3m stand as a central Canadian information booth, and has reserved additional adjoining space for other Canadian participants to link into a Canadian National Stand.*
- § *The layout and cost is very flexible, Canadian companies may take a full 3m x 3m booth which costs about \$5000 or we can split booths, for example 3 companies per booth at 1/3 the cost. The smallest practical manned area would be a 1.5m wide poster panel at around \$1000. Furniture costs would be additional.*

Meeting Rooms and Other Activities:

- § *Meeting rooms available for matchmaking with the assistance of the Consulate, commercial presentations, also networking events and a Canadian reception.*

Can't Come? Send a poster and/or brochures!

- § *Posters will be costed on space used, as low as \$500 including distribution of brochures by the Canadian information booth.*

BOTTOM LINE: If you just send brochures we'll distribute them FREE
